I would like to remember our recently deceased friend and fellow townsman Andy Halvorsen who retired here from the Cariboo a number of years back. Andy was a big white haired fellow who was a great outdoorsman. A gentle kind man with a big heart and a faith he lived out. Many of our fellow villagers befriended him and enjoyed him.

Indeed, he is and will be missed. My sympathy goes out to his family and his many friends in their loss.

As you will have noticed we finally had our mill road patch paved and the vegetation pushed back by a grader.

Given our finances this would seem to be all we can hope for at this time. The costs of highway repair are beyond belief and thus we hope the old road holds together for many more years - so drive carefully!

Our arborists, Davey Tree Services arrived in early October and did a great job of taking down and pruning problem trees for us. As well our regular contract faller took out the school district's problematic alders for us so as to keep our arena gutters free from leaves. The cemetery grounds were also thinned by Davey and it looks great. Unfortunately the old white cross finally rotted away. Our village Christmas tree is thinned in preparation for trimming at the end of this month. Can Christmas be so close so soon?!

The arena use is light this year and most will know that the curling club is struggling for enough curlers to keep the club going this year. Please consider joining up for the exercise and the socializing. We need to utilize what we are so fortunate to have.

I would like to welcome Dawn Martynyk to our council and wish the best to our Mayoral candidates in the election. As well I congratulate our returning School Trustee Carol Prescott. As we finish our terms this month we can look forward to 3 more years.

### *Roses, Thorns & Thank-you's*

**ROSES-** To Joe for being extremely kind in picking up garbage from peoples carports when the bears have been into them.

**ROSES-**And thank you to our volunteers; Bonnie Scholfield, Sara Sherlock, Juanita Mason, Tom Behan and Lou Anderson. We couldn't have done it without you-From the L.A.

**THORNS-** For people who put out garbage for the bears to get into and for Joe to have to clean up.

**THORNS-**For people that continue to throw kitchen waste into the 'Big Blue Bin'. You are putting others at risk, the bears have discovered an easy meal.

**Roses** to Arron Neely for helping with the TV

**Thorns** to the people who cannot read and still put their household garbage in the blue bin. We have a building for food waste!!

*Welcome....James & Leanne Bowers*
