Councillor Lloyd's Column

(The views expressed within this article are the personal opinions of Councillor Bruce Lloyd)

April arrives, and along with the flowers come a number of chores for council including budget deliberations, a new bargaining unit contract for our CUPE workforce, the implementation of our gardening contract and a number of other chores. Despite all the work I look forward to spring in the most beautiful village in British Columbia!

But the most important thing I can mention this month is the soon - coming departure of our Mechanic/Labourer Mel Baker who will be retiring in April and leaving our fair community in May along with his wonderful wife Lynn. If it wasn't for the new residents in town I would need not mention to our villagers how both Mel and his wife have served this community so well in nearly every event volunteers were called for. They have been active members of the Lions and Lioness as well as helped in everything from the Thrift Store to the food bank. Indeed, I'll always remember Lynn going from the Thrift Store, to the food bank, and then to the Winter Carnival to serve at each event - ALL IN ONE INCREDIBLY BUSY SATURDAY! During this same extended period of time she, along with our other Good Samaritan Tom Lopinys "co - anchored" the food bank and along with him did volunteer janitorial duties at our village office when we had no funds to operate whatsoever as the result of the Port Alice Specialty Cellulose bankruptcy. In short, besides his dutiful service as an employee, Mel and Lynn Baker have been assets to our community in the years we have been blessed with them. On behalf of the citizens of Port Alice we wish them a wonderful and long retirement.

We have now hired Ted Dryka as our casual on - call employee to fill in on those days that we need him. His service and ability as our half - time road maintenance employee this winter proved him to be a dependable and efficient employee whom we will no doubt rely on at various times in the future. Thank You Ted.

Finally, we want to thank all those that were involved in the Oscar Hickey Tournament. Now that hockey has wound up we also want to encourage players and spectators alike to enjoy this year's upcoming soccer season which starts in April. As well, the slow pitch season likewise begins soon. Ditto our local golf club's contributions to recreational diversity. Without these important recreational pursuits I suggest life would be pretty bleak indeed for our residents. We wish to thank all who volunteer their time to ensure that these recreational legacies continue. Have a good spring.
