Councillor Lloyd's Column

(The views expressed within this article are the personal opinions of Councillor Bruce Lloyd)

With February comes the village's Winter Carnival. Be sure to get out and enjoy as well as volunteer for the big day that entertains everyone - especially our kids!

I would like to acknowledge the loss of Fred Donaldson herein. His skills in things ranging from workplace safety at our mill to his umpiring of our ball games will be hard to replace. Indeed, the loss of this one person has made a big hole in our mill and our village life. We send condolences to his family and acknowledge Fred's contribution to life in these parts.

February also brings us more snow usually, and I would ask our residents to consider the fact that we only have a small public works crew of three men and one half time position scheduled between 5 and 9 am - less if someone is sick or on holidays etc. That being the case, it is quite evident that this poses a challenge for snow removal as all the other work piles up as well during a snow fall. Thus we cannot expect 24 hour snow removal all the time. I say this because we at times get people complaining the mill road is not plowed at say 4:30 am when they decide to go in early to work. Formerly we used to plow between 6 and 10 am but moved this back to accommodate departments who relieve at 6am, though the official time change for the mill is much later! I'm sure the reader understands that we cannot continue to expect our early plow operator to keep getting up earlier and earlier at the whim of someone who decides a 3 am shift change is more to his liking. So in short I am asking those who lay complaints about extremely early road conditions being not ideal, to consider our limited abilities financially and manpower wise. Fortunately winter is a sporadic thing here on the west coast and most often it is precipitation of the flowing variety that we receive.

On another note, I would announce that we have finally found and hired the needed management individual who we believe will bring ability and stability to our village operations. It is no secret that for the last few years we have managed to operate with just our Chief Administrative Officer handling the entire operation. This was to be a temporary situation from the start, as we had promised to give our CAO "a life" after we got the mill up and running again. Finally we have hired Dale Primus from the Town of MacKenzie to come alongside our former Village Treasurer and now CAO to take on some of the far too numerous management duties in our village. The next few months will see the introduction of Dale to his duties, and after that, Gail Lind will avail herself of some much needed holidays and perhaps a few 8 hour days after a few years

of numerous 10 and 12 hour days with many nights of meetings and taking work home on weekends. Council thanks Gail for her many sacrifices in keeping our village somehow rolling during this unanticipated and exceptionally difficult length of time. So we now welcome Dale and thank Gail.

Finally, as we look forward to spring let us not forget to enjoy winter. Besides the winter carnival and the skating and hockey, I would like to recommend to people the region's wonderful little ski hill - Mt. Cain. I skied opening day on New Year's and it was fantastic. Even if you are not a skier, you should make a point of visiting just for the vista and perhaps a meal and a toboggan ride etc. When you see the panoramic view of the north island from there on a clear day, you will surely appreciate anew the fact that we live in "God's Country" to be sure!

Roses, Thorns & Thank-you's

Thorns to those people who are littering our Village with their food wrappers and garbage!!

Roses to the Public Works crew for maintaining our roads so well during the cold spells we have been experiencing.

Roses to the Curling Club members for volunteering their time to teach our youngsters how to curl.

Roses to all the minor sport coaches who dedicate their time and energy to the youth in our community

The Port Alice Curling Club's Men's Open Bonspiel was another success.

Many thanks go out to those who helped make the spiel so great: Gail Neely and Helen Haney for taking care of the bar, Helen Parker, Jackie MacKenzie and Cathy Glizinski for their much appreciated help in the kitchen, Maria Farrell for her great organizational and artistic skills, and all the ladies who donated the fabulous desserts. Special thanks to Vi MacMillan for those delicious homemade buns, and to Dugald for his perseverance in getting that eighth team!
